

My Influential Relative

By: Priscilla Rodriguez

Who is my influential relative?

My influential relative is my older brother. My brother's name is Julio Rodriguez, he plays many sports and is very fun to be with. He is 13 and is a great older brother.

Why is my brother my influential relative?

My brother is my influential relative because he is always sticking up for me and is always there to help me when i'm in need. Also because my brother was the one that convinced me to play sports. He helps me with everything and is always teaching me the right way to do things. I know i can always count on him.

MY BROTHER IS MY RIDE OR

WE PLAY TOGETER AND WE

The background is a vibrant watercolor wash. It features a central area of deep blue and teal, which transitions into lighter shades of blue and purple towards the top and sides. The bottom portion is dominated by bright pink and magenta, with some lighter, almost white, areas where the colors are more diluted. The overall effect is soft and artistic, with visible brushstrokes and color blending.

The end!!!! :)
